

## Set Me Up

*Two Card Games At Once!*

**Type:** Cards - Trick-Taking  
**Ages:** 10+

**Players:** Four  
**Duration:** 15 - 30 minutes

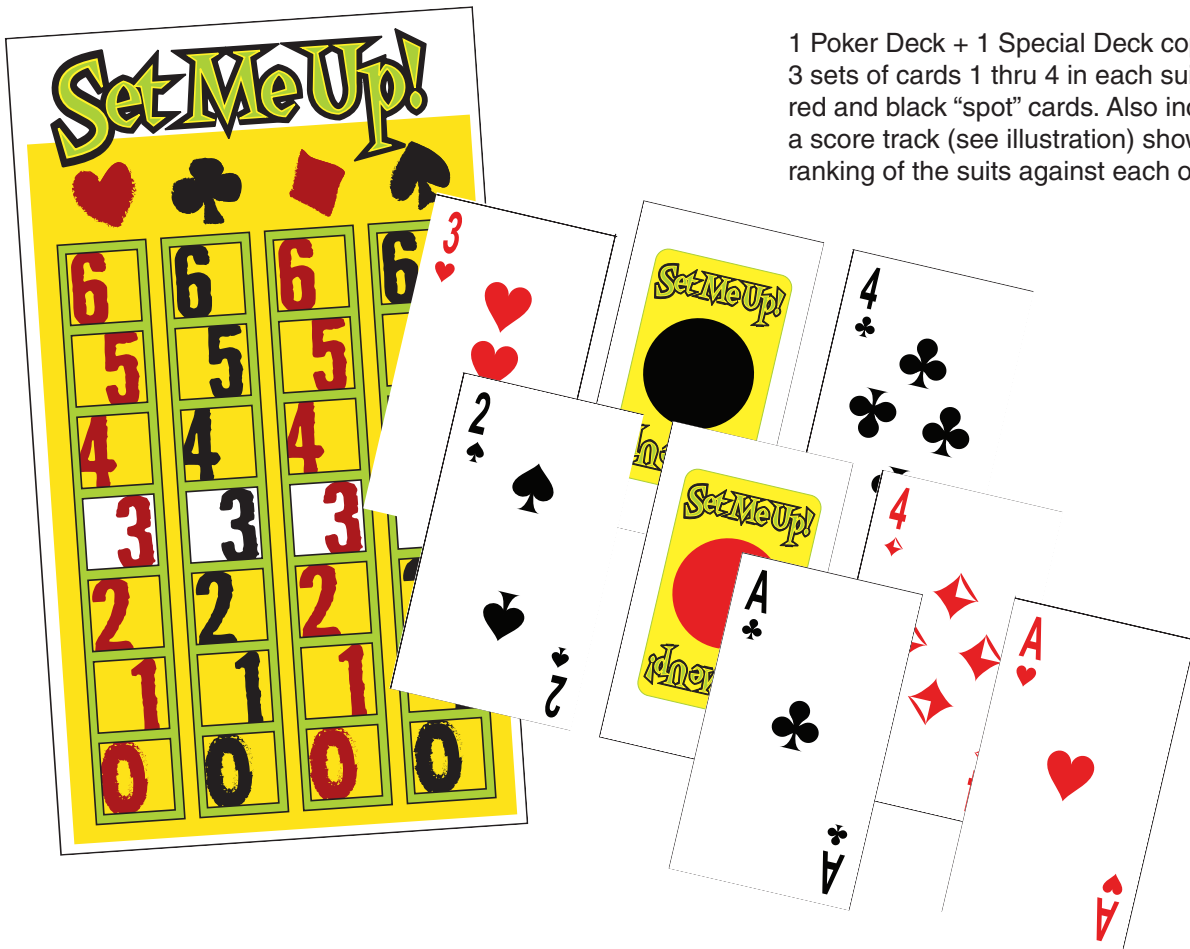

### Synopsis:

Here's card game for two teams of two with a twist: it's actually two games being played simultaneously, each of which affects the outcome of the other. One team of players, using a special deck, determines the values of the suits being played by the other team. Working together (or trying to), the players attempt to set up their partner for a win in the next round.

### Equipment & Features:

1 Poker Deck + 1 Special Deck containing 3 sets of cards 1 thru 4 in each suit + some red and black "spot" cards. Also included is a score track (see illustration) showing the ranking of the suits against each other.
